

EC Certificate Full Quality Assurance System: Certificate GB12/87419

The management system of

GBUK Enteral Ltd also trading as Enteral UK

Blackwood Hall Business Park, North Duffield, Selby,
North Yorkshire, YO8 5DD, UK

has been assessed and certified as meeting the requirements of

Directive 93/42/EEC on medical devices, Annex II (excluding Section 4)

For the following products

- Sterile Carefeed Feeding Tube, Sterile extension sets for enteral feeding
- Nutricare-SAF™ Sterile Naso-gastric Feeding Tube for long term use.
- Stoma EN plug- to prevent the closure of a stoma.
- Enteral syringe driver for use by medical staff for volume controlled enteral fluid delivery

Where the above scope includes class III medical device(s), a valid EC Design Examination Certificate according to Annex II (Section 4) is a mandatory requirement for each device in addition to this certificate to place that device on the market.

This certificate is valid from 25 July 2018 until 12 January 2021 and remains valid subject to satisfactory surveillance audits.

Re certification audit due before 12 January 2019

Issue 10. Certified since 18 May 2012

Certification is based on reports numbered GB/PC 233866
